Re: Tele King Communications Corp. (dba: Intelecall Communications, Inc.)

Demand Pursuant to Fla. Statutes, Title XXXIII, Chap. 559, Part VIII, Section 559,813 for Return of Money

Mr. Schreiber/Mr.Rosenberg:

I am one of a growing number of victims of Tele King Communications Corp.'s ("TK") unlawful conduct.

I first saw advertisements for TK on [ON SEVERAL OF THE LOCAL TV STATIONS HERE]. As you know, TK advertises itself as a "turn-key" operation that provides the pre-paid telephone card distributor with all he or she needs to have a successful business. Significantly, TK advertised that there would be no selling required of the distributor, that there was full company support and that TK would get all the locations for the distributor. Based on TK's advertisements all I needed to do was send money to TK and purchase the business opportunity, then provide the pre-paid phone cards and display units to the locations identified by TK. This was a "proven money maker" according to TK.

Indeed, to this day these very representations are contained on TK's website and continue in its television advertising.

Mr. Frank Schreiber

Mr. Ross Rosenberg, Esq.

Page 2

When I phoned TK's toll-free number these same representations and more were made to me directly by Arthur Tulin. In substance he said to me, among other things:

- I would not be responsible for selling at all;
- TK would find all the locations for me;
- I would just have to deliver the displays and collect the money;
- I would be given a 40% discount on replacement cards;
- TK has the best rates in the industry;
- Owners of the businesses where the cards would be located would accept a 25% commission;
- There were no other distributors in my area; and
- If I made a partial payment to hold my position; I was told, "Full payment would have to be made by March 15, 2002, if not my partial payment would be returned", because, according to Arthur Tulin, he could not hold it longer than that!
- There would be no competition.

Based on the advertisements I saw and the statements of Arthur Tulin, I decided to go ahead and "invest" in TK's business opportunity. I therefore sent partial payment \$9,958.33 to TK to hold a position and purchase the opportunity.

I was not sent a Disclosure Statement by TK and was then sent a Purchase Order, which I signed on 01/30/02; they supplied an over night pack in which I inserted My Check and their Purchase Order. Within two day they cashed my check, this, among other things made me feel uneasy, I immediately rescinded the deal and asked to have my funds returned; to-date they have failed to return my hard earned Money!

Contrary to TK's written and verbal representations I was not provided with "presold" locations where the owners already agreed to accept my cards and displays. Rather, each and every one of the locations I was given by TK required selling or flat out refused to accept the cards. Examples include:

• Business owners who said they told the TK representative who called that they would not accept TK cards under any circumstances;
